

INFORMATION LETTER

VII INTERNATIONAL YOUTH SCIENTIFIC AND PRACTICAL CONFERENCE IN THE FORM OF A ROLE-PLAYING GAME "MODEL UN IN CRIMEA"

The Crimean branch of the V.M. Lebedev Russian State University of Justice invites you to participate in the VII International Youth Scientific and Practical role-playing conference "Model UN in Crimea", which will be held on October 24-26, 2025.

The UN Model is a project that combines elements of a role-playing game and a scientific conference. During the game, meetings of United Nations bodies are modeled, where participants act as an official representative of a UN Member state or an international organization. *The delegate's mission* is to defend the objective position of his State within the framework of diplomatic etiquette. *The purpose of the Committees* is to adopt a Resolution on the agenda. Each of the participants of the UN Model gets tremendous experience in negotiations and public speaking, as well as develops analytical thinking and teamwork skills.

The Model UN is a conference that unites young people who are not indifferent to the real problems of the world.

The work of the Conference will be carried out by Committees:

1. The UN General Assembly. Agenda: "80 years of the United Nations. We are building our future together."

2. The UN Security Council. Agenda: "80 years of the United Nations. We are building our future together. The UN Security Council. The reform."

3. General Assembly UN. Agenda: "80 years of the United Nations. Building our future together " (*in eng*).

4. L'assamblé général. La convocation: "80 ans d'Organisation des Nations unies. Nous construisons notre avenir ensemble" (*en fr*).

5. نبني. عامًا على تأسيس الأمم المتحدة 80: الأعمال جدول. الجمعية العامة. "مستقبلنا معًا"

6. The Junior General Assembly. Agenda: "80 years of the United Nations. We are building our future together."

FORM OF PARTICIPATION

As a general rule, the form of participation is **internal with the possible use of an online format**.

The participation of delegates in the conference in the form of videoconference is allowed for nonresident participants located outside the territory of the Republic of Crimea, as well as under the circumstances specified in the Regulations on the organization and holding of the International Youth Scientific and Practical Conference in the form of the role-playing game "Model UN in Crimea".

Under special circumstances, participation in correspondence is allowed.

The decision to participate in the online format of participation (videoconference) or participation in absentia is made by the Organizing Committee on an individual basis.
